Re: Request for Stop Work Conference – Cessation Order No. MC-06-01-04(1)

Administrative Secretary,

As per instructions included as part of Cessation Order No. MC-06-01-04(1) we request a Stop Work Conference.

We have filled a Notice of Intent to Commence Small Mining, Small Mine Reclamation Contract, and the Surety Bond. We will also be filing a Notice of Intention for Large Mining Operation for this location. We are planning to have this information submitted by June 16<sup>th</sup>.

Our basis for requesting this conference is so that we could continue to at least load out the materials that have been stockpiled and processed. With the submission of the Small Mine NOI, reclamation contract, and bond, we would like to resume operations. We would also like to discuss our options to continue working while the Large Mining NOI is being reviewed and permitted.

We appreciate your assistance and help with this matter.

Sincerely,

Lakeview Rock Products, Inc.

Vice President
